

# STOP!

If you can answer  
“YES” to any of the  
following questions  
involving the check  
you just deposited -

Please notify  
Bank Personnel  
*Immediately! You  
could have been  
scammed!!*

## FRAUD CAN HAPPEN TO YOU!

1. Are the check proceeds for an item you sold on the internet such as a car, boat, jewelry, etc.?
2. Is the amount of the check more than the selling price of the item?
3. Have you been instructed to send funds to another person as soon as possible?
4. Is the check from an individual you have communicated with via e-mail?
5. Is the check drawn on a business or individual different from the person buying your item or product?
6. Have you been informed that you were the winner in a lottery that you did not enter?
7. Have you been asked to assist in the distribution of money from another country?
