

# Phelps County Bank's Secure E-mail Program

Phelps County Bank is pleased to announce the rollout of a new security program that will enable us to send and receive confidential information securely through the internet. To help implement this important policy, we are using ZixCorp services to protect our e-mail and ensure all private information is secured. ZixCorp services enable Phelps County Bank to send and receive encrypted e-mail to anyone, whether they are ZixCorp customers or not.

## Receiving a secure e-mail from Phelps County Bank How Does It Work?
